Due to the HIPAA (Health Insurance Portability and Accountability Act of 1966) Privacy Regulations, Pediatric Healthcare needs to know to whom we are authorized to release your child's protected health information (PHI).

☐ Check here if we are authorized to leave information on your answering machine or voicemail.

Pediatric Healthcare is authorized to release the protected health information of my children to those listed below. I understand that I may change this in writing at any time.

_____

_____

***My signature authorizes payment of health insurance benefits for covered services rendered directly to the listed physician. I further understand that I am responsible for all charges not covered by my health insurance. I give permission to the above physician and their employees to provide the requested and necessary care to my child.***
